E.A. Fish wins coveted award

>> Developer E.A. Fish Associates received the Recognition of Excellence Award at The Developers & Builders Alliance's 2007 Community Advancement Awards ceremony. The developers were recognized for setting a new standard of living and contributing to the community's growth.

The firm is currently completing Latitude on the River, located along the Miami River at 615 SW Second Ave. Arquitectonica designed the 452-unit mixed-use community, which encompasses a 44-story residential tower, a retail bank, 231,000 sq. ft. of Class "A" office space, and ground floor retail. Developers recently announced that more than 330 units have closed and residents are moving in every day.
